

## Milton Crew 2017 Ergathon

Saturday and Sunday, May 13 and 14, Town of Milton

Rowers and coxswains of all squads - Boys & Girls, Varsity & Novice - will compete in teams to see which team will erg a set distance the fastest. Donors, family & friends come to spectate!

Contributors pledge a set amount. Each rower is asked to raise \$250.

Money raised through Ergathon pledges allows FOMC to buy and maintain racing shells, oars and other equipment for Milton Crew.

Donors can contribute online through the Ergathon page ([www.neponsetrowing.org/ergathon](http://www.neponsetrowing.org/ergathon)) or you can be bringing contributions of cash or check to the Ergathon Day locations (made to Friends of Milton Crew).
